

Luralite Galaxy™ LED

The next generation of the discreet Luralite range of insect light traps is now available.

With a more compact and discreet style, Luralite Galaxy LED combines both robust metal construction with highly energy efficient LED UV technology, and consumables common to next generation Pelsis insect light traps.

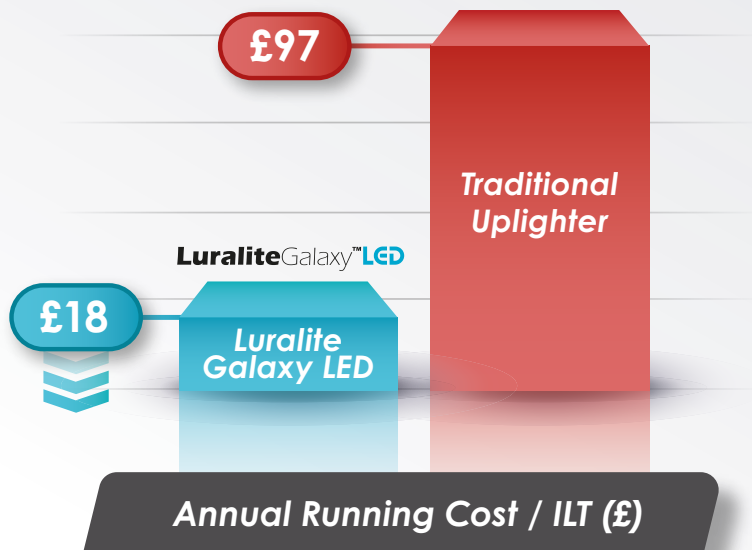

- REDUCED RUNNING COSTS
- HIGH EFFICACY
- IMPROVED SUSTAINABILITY
- ROBUST CONSTRUCTION

Low power draw delivering up to 81.4% lower running costs than traditional fluorescent lamp models.

Robust all metal construction.

Improved consumable management with common glueboard and UV source.

3 year LED source life, for extended service times.
